School Annual Security
Report 2023**

Arkansas Beauty School

This report includes statistics for the previous three years concerning reported crimes that occurred on-campus; in certain off-campus buildings or property owned or controlled by Arkansas Beauty School; and on public property within, or immediately adjacent to and accessible from, the campus. The report also includes institutional policies concerning campus security, such as policies concerning sexual assault, and other matters. You can obtain a copy of this report by contacting ABS-LR's Admissions Office or by accessing the following web site:

The Annual Disclosure of Crime Statistics:

The Admissions Office Staff at Arkansas Beauty School prepares this report to comply with the Jeanne Clery Disclosure of Campus Security and Crime Statistics Act. The full report is located in our administrative offices and will be distributed to anyone who may make a request at any time. The students and staff of Arkansas Beauty School will be notified annually of the availability of an updated report via email or memo. This report is prepared in cooperation with the Little Rock Police Department. Sources of crime statistics include those reported to Little Rock Police Department and also reports provided directly to Arkansas Beauty School. These statistics are also submitted to the Department of Education through their web-based data collection site. All requests for the report can be emailed or in person to: director@arkansascollegeofbarbering.com.

Arkansas Beauty School is a very attractive facility sitting in the heart of Southwest Little Rock. The general area is heavily patrolled by the local police department, which we believe has helped to be a deterrent for crime on campus.

Policies and Procedures:

Choosing a postsecondary institution is a major decision for students and their families. Along with academic, financial and geographic considerations, the issue of campus safety is a vital concern. In 1990, Congress enacted the Crime Awareness and Campus Security Act (Title II of Public Law 101-542), which amended the Higher Education Act of 1965 (HEA). This act required all postsecondary institutions participating in Title IV student financial aid programs to disclose campus crime statistics and security information. The act was amended in 1992, 1998 and 2000. The 1998 amendments renamed the law the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act in memory of a student who was slain in her dorm room in 1986. The Clery Act requires higher education institutions to give timely warnings of crimes that represent a threat to the safety of students or employees, and to make public their campus security policies. It also requires that crime data are collected, reported and disseminated to the campus community and are also submitted to ED. The act is intended to provide students and their families, as higher education consumers, with accurate, complete and timely

information about safety on campus so that they can make informed decisions. The report is distributed electronically to the students and staff by October 1 Annually.

Procedures for Reporting a Crime or Emergency:

For non-emergencies, please contact Arkansas Beauty School at (501)568-8800 and the Little Rock Police Department non-emergency line (501)371-4621. **For emergencies only**, please dial **9-1-1** and inform a Arkansas Beauty School staff of the emergency. Any suspicious activity or person seen in the parking areas or loitering around vehicles, inside the building or outside the building should be reported to either Barber College staff or Little Rock Police Department.

Arkansas Beauty School encourages anyone who is a victim or a witness to any crime to promptly and accurately report the incident to the police. Police reports in the state of Arkansas are public records, and Arkansas Beauty School cannot hold reports of crime in confidence. Crimes should be reported to Arkansas Beauty School to ensure inclusion in the Crime Statistics Report and to aid in providing timely warning notices to the students, staff and guests when appropriate. Reports that are to be included in the Crime Statistics Report will be made confidential.

All incidents are reviewed by owners of Arkansas Beauty School and potential action will then be taken if, after investigation, it is deemed appropriate. Upon receipt of this report Arkansas Beauty School will determine the appropriate response, which could include disciplinary action against the offender(s), notification to the campus community or other public safety alternatives deemed appropriate given the circumstances. If the incident is criminal in nature, local law enforcement agencies will be notified immediately. If the incident is an emergency, dial 911 immediately. If a sexual assault or rape should occur, staff on the scene, including SPD, will offer the victim a wide variety of services.

Security and Access Policy:

During business hours, Arkansas Beauty School will be open to students, parents, employees, contractors, clients and invitees. During non-business hours, access to Arkansas Beauty School is by key, if issued.

Security cameras are currently present inside and outside the school as well as in the front entranceway. Arkansas Beauty School also has a security system installed. Arkansas Beauty School does not have off-campus locations for monitoring and recording from local police.

Crime Prevention & Security Awareness:

A common theme of crime prevention is to encourage students and employees to be aware of their own security and the security of others. The following Safety Tips are distributed to new students at the time of orientation.

1. Do not allow the opportunity for a crime to occur-avoid placing yourself in environments in which it's easier for criminals to commit a personal crime.
2. Always keep your doors and windows locked.
3. If possible, let a friend or roommate know where and with who you'll be and when you'll be back when you go out.
4. Trust your instincts. If you feel uncomfortable about someone near you on the street, in an elevator, or getting off a bus, head for a populated place or yell for help.
5. Use well-lit and busy sidewalks.
6. Avoid walking alone or walking near vacant lots, alleys, construction sites, and wooded areas.
7. Carry a cell phone, whistle, or a personal alarm to alert people that you need help.
8. Lock your car doors and roll up the windows completely- even if you're only running a quick errand. Do not leave valuables such as MP3 players and GPS units in plain view.
9. If you choose to drink, drink legally and responsibly. Remember that your ability to respond is diminished by over consumption of alcohol.
10. Stay alert at all times and call the police immediately to report suspicious activity.
11. Never leave personal property- including book bags and laptops - unattended.
12. Put ICE (In Case of Emergency) in your cell phone, along with a name and telephone number of a loved one, to enable emergency services personnel to contact your family in the event of an emergency.
13. Listening to loud music or using your cell phone distracts you from being alert to potential safety issues. Unplug yourself and tune in to your immediate environment.
14. Utilize crosswalks at all times and obey the signals at intersections when walking. Under Louisiana law, as a pedestrian, you DO NOT have the right of way until you establish yourself in the crosswalk. If you are crossing at any location other than a crosswalk, you MUST yield to vehicular traffic.
15. When driving, be aware of pedestrians and bicyclists and yield to them when required by law.

Campus Law Enforcement and/or Security:

Arkansas Beauty School does employ Campus Security.

Pastoral Counselors and Professional Counselors:

Arkansas Beauty School does not employ any Pastoral or Professionals Counselors.

Emergency Testing:

Arkansas Beauty School will test the emergency response and evacuation procedures on an annual basis through performing drills of these procedures. Staff members will be made aware of these tests in advance; however, students will not be notified ahead of time. Each year, when a test is performed, Arkansas Beauty School will also publicize its emergency response and evacuation procedures through literature emailed out to all students and staff. Arkansas Beauty School will document each emergency test that is performed. The documentation will include a description of the test, the date the test was held, the time the test started and ended and whether the test was announced to students and staff members.

Emergency Response and Evacuation:

In the event that a significant emergency or dangerous situation were to be confirmed on campus involving an immediate threat to the health or safety of students or employees, Arkansas Beauty School will immediately notify all students and staff of the emergency or situation. An emergency or dangerous situation will be confirmed by the Campus Security of the school prior to notifying students and staff. Confirmation of such an event will be made after investigation of the situation and determination that an immediate threat is posed. In the situation that such an event arises Arkansas Beauty School school Director/ Campus President will initiate the notification of staff and students through verbal and electronic announcements. The content of the notification will depend on the emergency taking place. If the owners are unable to be contacted, all staff members will have the authority to carry out a notification to staff and students. Arkansas Beauty School will, without delay, and taking into account the safety of the students and staff, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency. Evacuation of the school will take place if deemed necessary and beneficial by Campus Security: Staff members will be notified of the decision to evacuate and will be responsible for assisting in the evacuation of all students, clients and other staff members. Any of the personnel listed above are responsible for confirming an emergency and initiating the notification system. To disseminate information to the larger community

emergency information will be disseminated by television, radio, or Arkansas Beauty School's social media accounts.

Health Risks

Arkansas Beauty School (ABS-LR) is committed to providing its students and employees a drug and alcohol free workplace and learning environment. Toward that end, ABS-LR prohibits the unlawful possession, use, manufacture, or distribution of unauthorized drugs and alcohol in the workplace, on the campus, or at any ABS-LR activities. ABS-LR shall provide a safe responsive environment for all students and employees.

Outlined below is a listing of drugs of abuse and their health risks taken from the U.S. Drug Enforcement Administration website.

Alcohol

Alcohol (beer, wine, or liquor) has a high potential for physical and psychological dependence as well as resulting in increased tolerance. Possible effects include impaired memory, slurred speech, drunken behavior, slow onset, vitamin deficiency, and organ damage. Overdose may result in vomiting, respiratory depression, loss of consciousness, and possible death. Withdrawal may include trembling, anxiety, insomnia, vitamin deficiency, confusion, hallucinations, and convulsions.

Females who drink alcohol during pregnancy may give birth to infants with Fetal Alcohol Syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates that children of alcoholic parents are at greater risk than other youngsters of becoming alcoholics. Alcohol use is often related to acquaintance rape and failure to protect oneself from sexually transmitted diseases (STDs). Additionally, alcohol-related accidents are the number one cause of death in the 16- to 24-year-old age group.

Narcotics

Narcotics (including heroin, morphine, hydrocodone, oxycodone, codeine, and others) have a high potential for both physical and psychological dependence as well as resulting in increased tolerance. The possible effects of using narcotics include euphoria, drowsiness, respiratory depression, constricted pupils, and nausea. Overdose may result in shallow

breathing, clammy skin, convulsions, coma, and death. Withdrawal may include irritability, tremors, panic, nausea, chills, and sweating.

Other Depressants

Other depressants (including GHB or liquid ecstasy, valium, xanax, ambien, and barbituates) have a potential for both physical and psychological dependence as well as resulting in increased tolerance. The possible side effects include slurred speech, disorientation, appearance of intoxication, and impaired memory. Overdose may result in shallow respiration, clammy skin, dilated pupils, weak and rapid pulse, coma and possible death. Withdrawal may include anxiety, insomnia, tremors, delirium, convulsions, and possible death.

Stimulants

Stimulants (including cocaine, methamphetamine, and methylphenidate) have a possible risk of physical dependence and high risk for psychological dependence. Tolerance can develop in all stimulants. The possible side effects include increased alertness, excitation, euphoria, increased pulse rate and blood pressure, insomnia, and decreased appetite. Overdose may result in agitation, increased body temperature, hallucinations, convulsions, and possible death. Withdrawal may result in apathy, long periods of sleep, irritability, depression, and disorientation.

Hallucinogens

Hallucinogens (including MDMA, LSD, Phencyclidine, and others) are less likely to result in physical dependence, with the exception of phencyclidines and analogs, and vary in terms of psychological dependence, ranging from none to moderate (MDMA) to high (phencyclidine and analogs). Tolerance can develop. Possible effects include heightened senses, teeth grinding, and dehydration (MDMA and analogs) and hallucinations, altered perception of time and distance in other types of hallucinogens. Overdose may result in increased body temperature and cardiac arrest for MDMA and more intense episodes for LSD. Some

hallucinogens may result in muscle aches and depression when in withdrawal (MDMA) or may result in drug seeking behavior.

Cannabis

Cannabis includes marijuana, tetrahydrocannabinol (THC), and hashish or hashish oil. All may result in moderate psychological dependence with THC resulting in physical dependence. Tolerance can develop in all forms. Possible effects include euphoria, relaxed inhibitions, increased appetite, and disorientation. Overdose may result in fatigue, paranoia, and possible psychosis. Withdrawal may occasionally result in insomnia, hyperactivity, and decreased appetite.

Crime Prevention and Safety Awareness Programs

Arkansas Beauty School engages in comprehensive educational programming consisting of primary prevention and awareness programs for all incoming students and new employees and ongoing awareness and prevention campaigns for students and employees. Crime prevention and security awareness programs and information available from crime prevention specialists and officers include, but are not limited to, new student and employee orientation, campus safety, personal safety, security surveys, theft prevention, robbery prevention techniques and basic assault---date rape prevention. These and other programs are available upon request and are presented throughout the year to students and employees on campus.

Crime prevention officers address classes or groups in crime prevention. Arkansas Beauty School has developed an annual educational campaign consisting of presentations that include distribution of educational materials to new students; participating in and presenting information and materials during new employee orientation; and presenting programs throughout the year.

Arkansas Beauty School definitions of Domestic Violence, Dating Violence, Sexual Assault and Stalking

Arkansas Beauty School prohibits the offenses of domestic violence, dating violence, sexual assault and stalking (as defined by the Clery Act) and reaffirms its commitment to maintaining a campus environment that emphasizes the dignity and worth of all members of the College community.

Domestic Violence includes actual physical abuse, an attempt to harm another, placing another in fear of imminent, serious, physical harm, or causing another to engage in sexual relations by force, threat of force, or duress.

Examples of behaviors that may constitute domestic violence include the following:

- Hitting, punching, pinching, slapping, or choking someone with whom the person is intimately involved.
- Violating a protective order.
- Harming a person's animals or children while in an intimate relationship.

Dating Violence includes the use or threat of physical force or restraint carried out with the intent of causing pain or injury to another while in a dating relationship.

Examples of behaviors that may constitute dating violence include the following:

- Taking away a person's cell phone during an argument in order to prevent the person from calling a friend or the police for help.
- Threatening to do self---harm if another does not do what is said.
- Threatening to physically assault someone the individual is dating if the person does not do what is said.

Sexual Assault includes:

Non-consensual Sexual Contact (or attempts to commit the same) defined as any intentional sexual touching with any object(s) or body part that is without consent and/or by force. Sexual contact is defined as kissing or touching other's intimate parts. Intimate parts are a person's groin, buttocks, mouth or breasts.

Non-consensual Sexual Intercourse (or attempts to commit the same) defined as penetration of a person's vagina, anus or mouth with any object(s) or body part that is without consent and/or by force.

Examples of behaviors that may constitute sexual assault include the following:

- Having sex with a mentally or physically incapacitated person.
- Forcing someone to perform oral sex on you or another.
- Touching someone's breasts without consent.
- Putting your intimate parts on or in another without consent.

Stalking is when an individual engages in a pattern of conduct or series of acts on more than one occasion directed at a specific person which seriously alarms or annoys that person and would cause a reasonable person to suffer substantial emotional distress or fearfulness for his/her safety or the safety of his/her pets or family members.

Consent & Incapacitation:

To consent means to outwardly express agreement for sexual activity. Consent can be a verbal “yes.” It can also be demonstrated non---verbally with actions that clearly tell the other person that she/he is willingly and freely engaging in sexual contact. Consent cannot be inferred through silence or lack of resistance. Consent to one activity does not constitute consent to other sexual acts. Past sexual activity does not constitute consent for future acts. If at any time consent is uncertain, the initiating party should stop and obtain verbal consent. Consent can be withdrawn at any time.

A person who is incapacitated for purposes of this protocol is one who is not legally able to give consent because they are mentally or physically helpless and may not be aware sexual activity is occurring. In the state of Arkansas, consent can never be given by minors younger than 17 years of age unless permitted by law.

A person is mentally or physically incapacitated when they have consumed alcohol and/or drugs, legal or illegal, voluntarily or involuntarily, and are in a state where a reasonable person would believe that they are unable to make reasonable judgments or render self---care. Incapacitation includes, but is not limited to, being highly intoxicated, passed out, or asleep. When incapacitation occurs due to alcohol or drug use, indicators of incapacitation may include the following:

- Slurred speech
- Bloodshot or unfocused eyes
- Unsteady gait; needing assistance to walk/stand
- Vomiting
- Outrageous or unusual behavior
- Concern expressed by others about the individual
- Expressed memory loss or disorientation

An individual may also be in a state known as a “blackout” where they are also incapacitated and while they may appear to give consent, they do not actually have conscious ability to do so. Therefore, it is of particular importance that any two people engaging in sexual activity know the others level of intoxication prior to beginning sexual contact. The standard that shall be applied is whether or not a reasonable person would have known based on the facts and circumstances presented that the other party was incapacitated and therefore, not capable legally of consenting. As to the accused, being under the influence of alcohol or drugs is never a defense to this protocol and does not excuse sexual misconduct.

Bystander Intervention

Bystander Intervention means safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault or stalking. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective interventions options, and taking action to intervene. Bystander intervention is a philosophy and strategy for prevention of various types of violence, including bullying, sexual harassment, sexual assault, and intimate partner violence. A bystander who witnesses the conditions that perpetuate violence has the choice and power to intervene. Stepping in can stop violence and/or potential injury and can keep someone from becoming a victim. Interventions don't have to be dramatic but can be asking a friend to leave a party with you, redirecting a conversation, or interrupting an incident. Bystander intervention includes walking a classmate to his/her car after class, not leaving an overly intoxicated person in a bar/party alone, not leaving an unconscious person alone, intervening when someone is being degraded or emotionally abused, and calling police when a potentially violent situation is unfolding. Positive bystander behavior plays a powerful role in creating an environment free from sexual violence.

- Watch out for your friends and fellow students/employees. If you see someone who looks like they could be in trouble or need help, ask if they are okay.
- Confront people who seclude, hit on, try to make out with, or have sex with people who are incapacitated.
- Speak up when someone discusses plans to take sexual advantage of another person.
- Believe someone who discloses sexual assault, abusive behavior or experience with stalking.
- Refer people to resources listed in this document for support in health, counseling or with legal assistance.

Risk Reduction

Risk Reduction is defined as options designed to decrease perpetration and bystander inaction, increase empowerment for victims in order to promote safety and help individuals and communities address conditions that facilitate violence. While you can never completely protect yourself from sexual assault, there are some things you can do to help reduce your risk of being assaulted. To reduce one's risk of sexual assault or harassment, strategies below were taken from Rape, Abuse, & Incest National Network, www.rainn.org.

Avoid dangerous situations by doing the following:

- **Be aware** of your surroundings. Knowing where you are and who is around you may help you to find a way to get **out of a bad situation**.
- Try to **avoid isolated areas**. It is more difficult to get help if no one is around.
- **Walk with purpose**. Even if you don't know where you are going, act like you do.
- **Trust your instincts**. If a situation or location feels unsafe or uncomfortable, it probably isn't the best place to be.
- **Try not to load yourself down** with packages or bags as this can make you appear more vulnerable.
- **Make sure your cell phone is with you** and charged and that you have cash money.
- **Don't allow yourself to be isolated** with someone you don't trust or someone you don't know.
- **Avoid putting music headphones in both ears** so that you can be more aware of your surroundings, especially if you are walking alone.

Programs to Prevent Domestic Violence, Dating Violence, Sexual Assault and Stalking

The College engages in comprehensive, intentional, and integrated educational programming, initiatives, strategies and campaigns intended to prevent domestic violence, dating violence, sexual assault and stalking that:

- a) Are culturally relevant, inclusive of diverse communities and identities, sustainable, responsive to community needs and informed by research or assessed for value, effectiveness, or outcome; and
- b) Consider environmental risk and protective factors as they occur on the individual, relationship, institutional, community and societal levels.

Educational programming consists of primary prevention and awareness programs for all incoming students and new employees and ongoing awareness and prevention campaigns for students and employees that:

- (a) identify domestic violence, dating violence, sexual assault, and stalking as prohibited conduct;
- (b) define what behavior constitutes domestic violence, dating violence, sexual assault, and stalking;
- (c) define what behavior and actions constitute consent to sexual activity in the State of Arkansas
- (d) provide safe and positive options for bystander intervention that may be carried out by an individual to prevent harm or intervene when there is a risk of domestic violence, dating violence, sexual assault, or stalking against a person other than the bystander;
- (e) provide information in risk reduction so that students and employees may recognize warning signs of abusive behavior and how to avoid potential attacks.

Procedures Victims Should Follow if a Crime of Domestic Violence, Dating Violence, Sexual Assault or Stalking Occurs

After an incident of sexual assault, dating violence or domestic violence, the victim should consider seeking medical attention as soon as possible at any local hospital in the victim's city of residence or location of the incident. Time is a critical factor for evidence collection and preservation. It is important that a victim of sexual assault not bathe, douche, smoke, change clothing or clean the bed/linen/area where they were assaulted if the offense occurred within the past 96 hours so that evidence may be preserved that may assist in proving that the alleged criminal offense occurred/or is occurring or may be helpful in obtaining a protection order. In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted infections. Victims of sexual assault, domestic violence, stalking and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful to College adjudicators/investigators or police.

As time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining protection from abuse orders related to the incident more difficult. If a victim chooses not to make a complaint regarding an incident, he or she nevertheless should consider speaking with campus police or other local law enforcement agencies to preserve evidence in the event that the victim decides to report the incident to law enforcement or the College at a later date to assist in proving that the alleged criminal offense occurred or that may be helpful in obtaining a protection order.

Procedures for Reporting Domestic Violence, Dating Violence, Sexual Assault and Stalking

If you have been the victim of domestic violence, dating violence, sexual assault or stalking, you should report the incident promptly to campus security if the victim so desires. Other campus personnel such as faculty and staff may assist in reporting the sexual assault, domestic violence, dating violence and stalking to the Police Department. If the assault occurred outside of the College, the local police department where the assault occurred should be called and may be reached by dialing 911. The College will provide resources to persons who have been victims of sexual assault, domestic violence, dating violence or stalking, and will apply appropriate disciplinary procedures to those who violate this policy.

Procedures the College Will Follow When a Crime of Domestic Violence, Dating Violence, Sexual Assault or Stalking is Reported

Arkansas Beauty School has procedures in place that serve to be sensitive to victims who report sexual assault, domestic violence, dating violence, and stalking, including informing individuals about their right to file criminal charges as well as the availability of counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid and other services on and/or off campus as well as additional remedies to prevent contact between a complainant and an accused party, such as academic and working accommodations, if reasonably available. Arkansas Beauty School will make such accommodations, if the victim requests them and if they are reasonably available, regardless of whether the victim chooses to report the crime to Arkansas Beauty School or local law enforcement. Students and employees should contact campus security.

If a report of domestic violence, dating violence, sexual assault or stalking is reported to the College, below are the procedures that the College will follow as well as a statement of the standard of evidence that will be used during any disciplinary hearing on campus arising from such a report:

Assistance for Victims: Rights and Options

Regardless of whether a victim elects to pursue a criminal complaint, or whether the offense is alleged to have occurred on or off campus, the College will assist victims of sexual assault, domestic violence, dating violence, and stalking and will provide each victim with a written explanation of their rights and options.

Such information will include:

- The procedures victims should follow if a crime of dating violence, domestic violence, sexual assault or stalking has occurred;
- Information about how the institution will protect the confidentiality of victims and other necessary parties;
- A statement that the institution will provide written notification to students and employees about victim services within the institution and in the community;
- A statement regarding the institution's provisions about options for, available assistance in, and how to request accommodations and protective measures; and
- An explanation of the procedures for institutional disciplinary actions.

Student Code of Conduct Special Provisions for Sexual Misconduct and Other Sensitive Issues

1. Advisor/Advocate: All student parties to sexual misconduct complaints have the right to an advisor/advocate from the community to assist and support in connection with grievance proceedings. Arkansas Beauty School does not disallow any advisor, but does prohibit any advisor from speaking during any meeting or grievance procedure.

2. Sexual History/Character: All parties to a complaint have a right not to face questions or discussion of their sexual history or character unless the administrative officer decides that such information is highly relevant to determining whether the policy has been violated.

3. Right to Know Outcome and Sanctions: The complainant and the accused party both have the right to know the outcome and sanctions.

4. Right to Be Informed of Complainant's and Respondent's Review (Appeal) Status: The parties will be informed by the campus security or his designee if any of the parties to the complaint requests an appeal.

5. Right to Appeal: A complainant or respondent has the right to appeal. A student shall be informed of his/her right to file a complaint with the United States Department of Education, Office of Civil Rights.

6. Right to be Informed of Policy: Information regarding this protocol and any accompanying procedures shall be distributed annually to College employees and students in a manner calculated to provide easy access and wide distribution, such as through electronic distribution and inclusion in major College publications. Copies of the policy and procedures shall be readily available at the College's administrative offices.

7. Right Not to be Dissuaded from Participating in Law Enforcement Processes: Arkansas Beauty School encourages any victim of a crime, especially sexual assault, stalking, domestic or dating violence, to file a report with the appropriate law enforcement department. A complainant has the right to file said report before they alert Arkansas Beauty School of the allegation of sexual misconduct or after they have participated in an on campus administrative process. The College would never dissuade a victim from seeking remedies from the criminal justice system. Campus security can assist any victim with contacting the appropriate law enforcement agency should they require such assistance.

Arkansas Beauty School's Responsibilities for Orders of Protection

Arkansas Beauty School complies with Arkansas law in recognizing emergency protective orders and protective orders by arresting violators of protective orders. Any person who obtains an order of protection from a recognized court of law in the State of Arkansas should provide a copy to Arkansas Beauty School campus security. A complainant may then meet with campus security to develop a Safety Action Plan, which is a plan for campus security and the victim to reduce risk of harm while on campus or coming and going from campus. This plan may include, but is not limited to, escorts, special parking arrangements, changing classroom location, etc.

Protection from abuse orders may be available through the county attorney, a private attorney or through a legal aid service program. The application must be filed in the county in which you or the offender lives. There are no minimum time limits to establish residency and protective orders are available in every county in Arkansas.

Arkansas Beauty School's No Contact Orders

If the accused individual is a member of Arkansas Beauty School community, an institutional no contact letter/order may be issued if deemed appropriate or at the request of the victim or accused. This will prohibit communication, verbally, in writing, through technology or third parties, between the parties. If the College receives a report that such an institutional no contact order has been violated, the College will initiate disciplinary proceedings appropriate to the status of the accused (student, employee, etc.) and will impose sanctions if the accused is found responsible for violating the no contact order.

Confidentiality

To the greatest extent possible, the College shall respect the privacy of the complainant, persons against whom a report is filed and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law. Arkansas Beauty School will protect the identity of persons who report having been victims of sexual assault, domestic violence, dating violence or stalking to the fullest extent of the law. Victims may request that directory information on file be removed from public sources by request from the Admissions and Records office.

Different people on campus have different reporting responsibilities and different abilities to maintain your confidentiality, depending on their roles at the College. When consulting campus resources, victims should be aware of confidentiality and mandatory reporting, in order to make informed choices. On campus, some resources may maintain your complete confidentiality, offering you options and advice without any obligation to tell anyone, unless you want them to. Other resources are expressly there for you to report crimes and policy violations, and they will take action when you report your victimization to them.

Additionally, personal identifiable information about the victim will be treated as confidential and only shared with persons with a specific need to know who are investigating/adjudicating the complaint or delivering resources or support services to the complainant. The College does not publish the name of crime victims nor house identifiable information regarding victims in the campus police department's Daily Crime Log or online. Furthermore, if a Timely Warning Notice is issued on the basis of a report of domestic violence, sexual assault or stalking, the name of the victim and other personally identifiable information about the victim will be withheld.

Adjudication of Violations

The College's disciplinary process includes a prompt, fair and impartial investigation and resolution process. In all instances, the process will be conducted in a manner that is consistent with the College's policy and that is transparent to the accuser and the accused. Usually, the resolution of domestic violence, dating violence, sexual assault and stalking complaints are completed within 30-45 College business days of the report. However, each proceeding allows for extensions of time frames for good cause with written notice to the accuser and the accused of the delay and the reason for the delay. College officials involved in the investigation or adjudication of domestic violence, dating violence, sexual assault and stalking complaints are trained annually on the issues related to domestic violence, dating violence, sexual assault and stalking as well as how to conduct an investigation and hearing process that protects the safety of the victim and promotes accountability. Furthermore, each policy provides that:

1. The accuser and the accused will have timely notice for meetings at which the accuser or accused, or both, may be present;
2. The accuser, the accused and appropriate officials will have timely and equal access to any information that will be used during formal and informal disciplinary meeting and hearings;
3. The institutional disciplinary procedures will not be conducted by officials who have a conflict of interest or bias for or against the accuser or the accused;
4. The accuser and the accused will have the same opportunities to have others present during any institutional disciplinary proceeding. The accuser and the accused each have the opportunity to be advised by an advisor/representative of their choice at any stage of the process and to be accompanied by that advisor/representative to any related meeting or proceeding. The College will not limit the choice of advisor or presence for either the accuser or the accused in any meeting or institutional disciplinary proceedings.

5. The accuser and the accused will be notified simultaneously, in writing, of the any initial, interim and final decision of any disciplinary proceeding;and
6. Where an appeal is permitted under the applicable policy, the accuser and the accused will be notified simultaneously in writing, of the procedures for the accused and the victim to appeal the result of the institutional disciplinary proceeding. When an appeal is filed, the accuser and the accused will be notified simultaneously in writing of any change to the result prior to the time that it becomes final, as well as of the final result once the appeal is resolved.

Notification to Victims of Crimes of Violence

Arkansas Beauty School will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by such institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as the result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

EMERGENCY PROCEDURES

Fire Evacuation Procedure:

In case of fire in the school itself or in any building that the school is connected to, school faculty will notify all students and clients. Instructor will direct students and clients out of the building through the nearest exit in an **orderly** and **calm manner**. The receptionist or whoever is aware of the fire will call the fire department (911).

Advise all clients that you are not sure of the emergency but need to evacuate the building. Assure all clients that their needs will be taken care of when faculty secures the safety of all students and clients.

All students should take their client, and help other students and clients if need be, and proceed to the nearest exit. Students, clients and faculty will meet directly across 8521 Geyer Springs Road from the school. It is imperative that all students and clients go to this location so that faculty can do a head count to make sure everyone has made it out of the building.

Once all students and clients are accounted for, the needs of the clients will be addressed.

IN THE EVENT OF EXTREME WEATHER CONDITIONS:

School will be closed in the event of extreme weather conditions. Students will refer to the local news informer and read the online posting on Arkansas Beauty School, Inc. website.

Sex Offenses and Offenders Policy:

Sex Offenses:

A sex offense is described as any sexual act directed against another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent.

Procedures for what you should do if you have been raped:

1. If you are a victim of a sexual assault your first priority should be to get to a safe place.
2. Victims are strongly encouraged to report the incident to the local police.
3. Seek emergency medical care.
4. The victim should not change clothes or bath before going to a hospital in order to preserve physical evidence that may be needed for investigation and prosecution.
5. If the victim is reluctant to contact the police initially, she/he should still seek treatment at a hospital to preserve evidence and address any health concerns. Then medical attention should be obtained.
6. Contact campus security at Arkansas Beauty School to report the incident. Personnel at Arkansas Beauty School will assist the student in notifying the local police if the students requests assistance.

Arkansas Beauty School educates the student community about sexual assaults and date rape through **(ASR)** annually by October 1. The Little Rock Police Department offers sexual assault education and information programs to Arkansas Beauty School students and employees upon request.

The Little Rock Police Department strongly advocates that a victim of sexual assault reports the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to a Arkansas Beauty School Staff member. Filing a police report with a Arkansas Beauty School security will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from LRPD officers.

Filing a police report will:

- ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim
- provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam)
- assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention. When a sexual assault victim contacts the Little Rock Police Department, the Police Sex Crimes Unit will be notified as well. Arkansas Beauty School campus security will also be notified. The victim of a sexual assault investigation will be pursued through the criminal justice system. Arkansas Beauty School does not offer on-campus counseling for victims of sex offenses. However, there are a variety of off-campus services available, such as:

RAINN - Rape, Abuse & Incest National Network Hotline (800) 656-4673

Changes available at Arkansas Beauty School for Victims:

Personnel at Arkansas Beauty School can assist the victim with issues including, but not limited to, class schedule changes and withdrawal procedures. If the reporting student provides credible evidence that the accused student presents a continuing danger to a person or property or poses an ongoing threat of disrupting the academic process, the personnel at Arkansas Beauty School may take interim disciplinary action against the accused student as appropriate.

Rights of the Accused and Accuser:

Report domestic violence, dating violence, sexual assault or stalking to campus security. Any student or employee who wishes to file a disciplinary complaint may do so by contacting personnel at Arkansas Beauty School regardless of whether law enforcement or criminal justice authorities choose to prosecute an act involving a Arkansas Beauty School student or employee, disciplinary action may be imposed through a campus disciplinary proceeding. During such a disciplinary proceeding, the accuser and the accused are entitled to the same opportunities to have others present. Disciplinary sanctions may be imposed on students or employees who commit a sexual offense on campus or in connection with Arkansas Beauty School activities.

Possible sanctions to be imposed following the final determination of disciplinary procedures include suspension or expulsion from Arkansas Beauty School or termination of employment. The accuser and the accused will be informed of the outcome of any disciplinary proceedings brought alleging sexual misconduct.

Disclosures to an alleged victim:

Arkansas Beauty School, upon written request, will disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by such institution against a student who is the alleged perpetrator of such crime or offense. If the alleged is deceased as a result of the crime or offense, the information shall be provided, upon request, to the next of kin of the alleged victim.

Sexual Offender Registration:

The Campus Sex Crimes Prevention Act (CSCPA) of 2000 is a federal law that provides for the tracking of convicted sex offenders enrolled at, or employed by, institutions of higher

education. The CSCPA is an amendment to the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Act. The federal law requires state law enforcement agencies to provide Arkansas Beauty School of sex offenders residing in and near the school's location. In addition, a list of all registered sex offenders in Arkansas is available from the Arkansas State Police at <http://www.lsp.org>. The CSCPA further amends the Family Educational Rights and Privacy Act of 1974 (FERPA) to clarify that nothing in the Act can prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders. This statement is provided in compliance with the Campus Sex Crimes

Missing Student Notification: Our school does not provide on-campus housing; therefore, in accordance with Department of Education and HEOA Sec. 488(g) amended HEA Sec.485 (20 U.S.C. 1092): added HEA Sec.485 0), we do not have a Missing Person Notification Policy.

Statistics from Local Law Enforcement Agencies:

Arkansas Beauty School will make a good-faith effort to collect crime statistics for all Clery Act crimes committed in the included geographic locations from the Little Rock Police Department. Arkansas Beauty School will contact the Little Rock Police department via letter or email or in person requesting crime statistics.
